

Uniform Return Policy

Special Olympics Maryland – Montgomery County (SOMO)

Each athlete competing in various sports are issued a regulation SOMO uniform. In the past years, we have had many athletes who have failed to return their uniforms to SOMO (this excludes swimsuits). The team manager will keep a list of all the athletes that have not returned their uniforms and will notify the family to ensure that we have enough uniforms for the following season.

We are instituting the following policy:

1. Athletes who have failed to return their uniforms will be notified by email.
2. Athletes will return the uniform to SOMO by the date stated in the letter.
3. Athletes not returning their uniform will be charged for the uniform.
4. Future participation will require a uniform deposit.
